Dear Sirs

1 COMMON MISTAKE MADE IN MARKETING

Thank you for your letter of 12th March, received here 19th March headed "34 Common Mistakes Law Firms Make With Their Websites".

This firm had to pay £1.24 outstanding postage on your letter and I would suggest that making this sort of mistake when sending a marketing letter is not the best idea. Will you please let me have your cheque for £1.24 to reimburse the amount I had to pay for your mistake. Not the best way to seek business.

Yours sincerely
