1 Website Enhancement

1.1 Christmas-ify Your Website – from £110 (POA)

A popular option each year is to modify your site to include a seasonal theme. Why not put a Christmas hat on your logo and people images on your homepage, add some baubles or a Christmas Tree? We can review your site and suggest some ideas; the key is to keep the design structure in place but change elements to add some Christmas Spirit.

If you're thinking of something a little different, contact your Account Manager who will be happy to help. We welcome new ideas and will find a way to bring them to life.

1.2 Falling Snow - £110

Add a touch of magic with falling snow, you can have this just on your homepage, or across your website. We can even colour the snowflakes so they match your brand colour! See how it looks on our Christmas page www.conscious.co.uk/xmas

Once the user clicks on the cracker it pops open...

And out pops a joke..

4.2 Help the Elf find Santa's presents – from £500 (POA)

Santa has lost his presents and he needs some help! The objective of this game is to increase your newsletter mailing list (and to have a bit of fun) by asking the user to submit their details at the end and subscribe. All you need to do is ask your users to play along with the elf and the fastest time wins a prize.

To Help the Elf, the user needs to search the site to find all of his 6 presents. For each present there is a clue of which page the presents might be hiding. The user has to find the presents and each time that user clicks on that present it takes them back to the Elf's scroll where they move on to the next clue before completing all of them. The person with the fastest time wins a prize. Once complete a pop-up form will be displayed so the user can submit their contact details and agree to be added to your mailing list.

Why don't you have a go and be in with a chance of winning a bottle Veuve Clicquot? Check out our [live version](#).

5 Online Advent Calendar – from £800 (POA)

As you may be aware if you got involved, for the last five years we have organised an advent calendar prize draw where people apply for a chance to win a prize every day – from days out to bottles of wine.

A lot of people have got involved and it has been a massive success every year. We got a lot of firms interested in doing the same thing this year, so we're offering the service to you for Christmas 2020!

For the calendar image, you could pick a photo of your staff or office, or choose a stock Christmassy image from www.istockphoto.com. As with a regular calendar the numbers are added randomly. It will only allow you to click on the correct day.

This year our live calendar will feature us all wearing Christmas jumpers on a Zoom call.

You will need to arrange your own prizes, you could also get local businesses to donate in return for having their logo featured. When someone clicks on the correct date, they will get a pop-up showing the details of the prize and a form to enter.

If you play a second day the form will use local storage to remember the details used the day before to make it even easier!

6.3 Physical Cards

For something a little different take a look at <http://promotionalseedpackets.co.uk/recycle-seed-paper-christmas-cards/>.

7 Charity

7.1 Reverse advent calendar

What better time than at Christmas to count your blessings? Most of us have the luxury of going home to a warm house, enjoying a glass of Bucks Fizz and spending quality time with loved ones. We leave the office on Christmas Eve knowing we'll enjoy a few days of festive cheer before the office re-opens and we go back to the day job.

Here at Conscious we know how lucky we are, and that's why we've opted to go for a 'reverse' advent calendar this year. We don't really need to open a door to chocolate every day - there's plenty around anyway! So, every day we're bringing in something that someone else might need.

If you'd like to join in too, it's easy. Pick a charity that could benefit from some extra supplies at this time of year - we're going with a food bank, but it might be a homeless charity, or a children's hospice in your local community. Bring in a new item every day that someone at your chosen cause will need - maybe tinned goods, a toothbrush, a warm scarf or a book. We guarantee that the feeling of warmth when you drop it off on Christmas Eve will beat any mulled wine!
